- 1 A. There is; however, I want to be clear, we
- 2 would not necessarily -- I'd have -- we'd have to find
- out, but we would not necessarily be able to identify
- 4 activations of Express Upgrade product versus the
- 5 standard product because there is technically no
- 6 difference in the software itself.
- 7 Q. Give me a ballpark as to how many Windows XP
- 8 Home licenses were sold during the Windows Vista Capable
- 9 program in the United States.
- 10 MR. CASPER: Objection: Calling for
- 11 speculation; lack of foundation; beyond the scope of the
- 12 30(b)(6) designation.
- 13 Q. (BY MR. SMART:) You can go ahead and answer,
- 14 please.
- 15 A. I don't know.
- 16 Q. Is it more than a hundred?
- 17 MR. CASPER: Objection: Calling for
- 18 speculation.
- 19 A. We're a large company. I'm sure it's more
- 20 than a hundred.
- Q. (BY MR. SMART:) Is it more than a thousand?
- MR. CASPER: Objection: Calling for
- 23 speculation.
- A. I could presume it's more than a thousand.
- 25 O. (BY MR. SMART:) Would it be more than a

Page 58 million? 7 MR. CASPER: 2 Objection: Calling for speculation. 3 4 Α. That I really don't know. Ο. (BY MR. SMART:) And who would know the answer 5 to that? 6 7 Α. Again, we'd have to look at the Microsoft sales database. 8 9 Ο. And the Microsoft sales database would give you that information? 10 11 Α. Yes. 12 Ο. What was the average cost of an XP Home 13 license during the Windows Vista Capable program? Objection. No foundation, beyond 14 MR. CASPER: 15 the scope of the 30(b)(6) designation. 16 Α. In terms of cost, I'm not sure whether you're 17 referring to the price that Microsoft charged its retailers or distributors or OEMs or the cost that the 18 customer would be presumed to pay. 19 (BY MR. SMART:) Sure, that's a fair question. 20 Ο. 21 What was the cost that Microsoft charged the 22 OEMs? 23 MR. CASPER: Objection: No foundation; beyond 24 the 30(b)(6) designation. I don't know. 25 Α.
